Chief, RCRA Permit Section

Thru: Abraham Ferdas, Chief JPD
Site Response Section (3HW21) JPD

We are requesting your support to evaluate the feasibility of constructing an onsite, RCRA approved landfill at the Tyson's Dump Site in Upper Merion Township, Pennsylvania. Discussing this alternative with your staff will help to determine whether we can implement it as a selected remedial measure.

Further detail concerning this issue can be obtained from Joe Dugandzic, 7-9023.
